Subject: Reprocessing of Claims

The Department of Human Services identified a claims processing error where certain claims were incorrectly denied due to errors in the load of the 2018 ICD-10 diagnosis and surgical procedure codes. This condition occurred on specific claims processed between October 1, 2017 and November 15, 2017. If one or more of your claims were affected, the reprocessed claim will be identified by the following ICN range:

5218072344082 through 5218072346568, and 8518072063511 through 8518072063600

Please note that payment is not guaranteed for reprocessed claims. If there are other issues or billing errors associated with these claims, you will receive a denial specific to those issues or errors.
